RELEASE

By the very nature of the activity, gymnastics carries a risk of physical injury. No matter how careful the gymnast and coach are, no matter how many spotters are used, no matter what height is used or what landing surface exists, the risk cannot be eliminated. Reduced, yes, but never eliminated. The risk of injury includes minor injuries such as bruises and more serious injuries such as broken bones, dislocations and muscle pulls. The risk also includes, and always includes, catastrophic injuries such as permanent paralysis or even death from landings or falls on the back, head or neck.

Anyone participating in the Will-Moor School of Gymnastics program (along with those legally responsible for the participant) must sign all notices on the application and must adhere to the safety rules governing the gymnasium. These rules will be handed to each parent upon enrollment. Parent reviews rules before first class.

I, the undersigned, certify that the applicant(s) is (are) in good health and may participate in Will-Moor School of Gymnastics activities and agree with all of the above.

In case of an emergency requiring medical treatment, the undersigned here-by authorize Will-Moor to take the student to any medical or hospital facility for care and treatment. In an emergency the party to be notified is:
